

**REMARKS**

Claims 1-18 are rejected under 35 U.S.C. 102(e) as being anticipated by Ma.

Anyhow, the actual filing date of Ma is 03/21/03 which is later than the priority date of the instant application, i.e., 12/17/02. Accordingly, Ma can NOT be the qualified reference against the novelty of the instant invention.

The certified copy of the corresponding Taiwan filing, on which the foreign priority of the instant application is based, and the corresponding translation will be submitted supplementally in few days for completeness of Applicant's arguments.

In light of the above, Applicant has kept claims 1-18 unchanged and earnestly asks Examiner for allowance of claims 1-18.

Respectfully submitted,

Hao-yun Ma et al.
